

A WARM WELCOME AWAITS YOU AT THE HIGHLAND JET CENTRE

Inverness Airport, 'The Gateway to the Highlands', is located at Dalcross just seven miles north east of the Capital of the Highlands and half an hour from Loch Ness.

The Airport operates extended opening hours and its two 1887 metre, ILS-equipped runways are capable of accepting aircraft up to and including Boeing 757s.

The Highland Jet Centre is available from 0800 – 1800 daily, year-round, and at other times by appointment.

A WARM WELCOME AWAITS YOU AT THE HIGHLAND JET CENTRE

The **Highland Jet Centre** is independent, locally-owned and aims to provide it's customers with value for money. Through our sister company, Dalcross Handling Ltd, we are able to offer the full range of aircraft ground services and facilities at realistic prices.

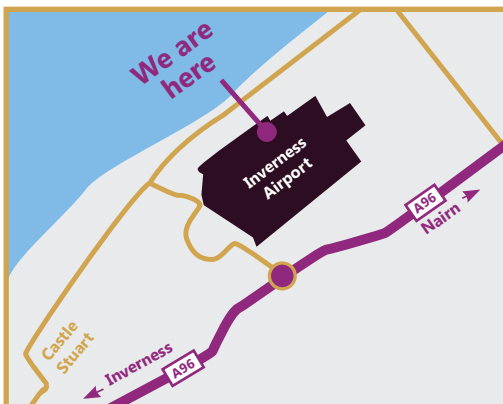

We offer a wide range of services to help welcome you to the highlands of Scotland. Nothing is too much trouble so if you need assistance with anything at all just ask.

Services we offer at the Jet Centre

- Full Ground Handling
- Accommodation Facilities
- In-Flight Services
- Cleaning Laundry
- HOTAC and Ground Transportation

IF YOU STILL DON'T SEE WHAT YOU NEED, ASK US AND WE'LL FIND IT!

If you would like to find out more about the services we have to offer or would like to talk to someone in person, then please do not hesitate to get in touch.
